Filter Type	Aluminium Filter
Noise Level	Depends on motor / installation
Lighting	2 x 5.5W Dimmable And Dynamic Led Panels
Run-on Timer	10 Mins
Electrical Requirement	10A
Max Current (W)	511W
Product Dimensions (mm)	W1080 x D680 x H285
Weight	32kg
Warranty	3 Years (6 years when Sirius ducting is used)

## LINE DRAWING

## KEY FEATURES

### Offboard Green Energy Motor

Power, performance and quiet efficiency are the most important elements in the performance of your Sirius hood. Sirius has worked tirelessly to create a product that ticks all the boxes.

### Aluminium Mesh Filter

Easy to install and maintain, but it also provides superior filtration capabilities. Designed with a special deep pleat design that helps capture cooking odours before they enter the room.

### Powerful Extraction

Sirius offers powerful rangehoods, providing superior extraction for all cooking styles. With revolutionary technology and advanced engineering, they're ideal for any kitchen.

### Induction Safe

This rangehood boasts efficient filters and extraction capabilities to effectively manage increased steam and moisture levels resulting from minimal ambient heat compared to gas cooking methods.

### Dynamic Lighting

Sirius Rangehoods have a dynamic lighting system that can be adjusted from 2700 to 6500 kelvin to match other lighting in the room. Adjustable temperature, and dimmable. Maximum design flexibility.

### Voice Control

Sirius introduces Voice Control, revolutionizing rangehood interaction. Users can command their hood using Google Assistant or Amazon Alexa, with intuitive responses.

### Remote Control

This rangehood is equipped with a sophisticated, stylish remote control that offers users the convenience of adjusting fan speed, lighting and timer settings of the hood from a distance.

### Hand Crafted in Italy

Sirius Rangehoods, a prestigious Italian brand founded in 1996, is renowned for its bold designs and commitment to premium materials and craftsmanship, making it a top choice for high-end rangehoods.
