Roof ducted

Eave or Wall ducted

*Outdoor offboard motors have a marine grade finish as standard for added resistance to coastal weather elements.
*Installation of this Rangehood must be centralised over the cooktop for optimum efficiency. This Rangehood can be installed over a 60-80cm cooktop at a 1600mm maximum height above the benchtop.

- Can be used with SEM1, SEM2 and SEM5.
- Use semi-rigid or rigid ducting, not fully flexible foil ducting.
- Fewer bends means a quieter and more powerful extraction.
- Extra 3 years warranty when Sirius ducting is used (total 6 years).
- See [support page](#) on Sirius website for installation videos and FAQs.

WARNING: technical specifications and product sizes can be varied by the manufacturer, without notice. Cut outs for appliances should only be by physical product measurements. The above information is indicative only.
