## LINE DRAWING

## KEY FEATURES

### Twin Motor

Perfect for large and open kitchens, Sirius twin motor hoods boast powerful 2000M<sup>3</sup>/H extraction to efficiently remove steam, heat, smoke, and odours. With four speeds options for tailored ventilation.

### 25mm Stainless Steel Baffle Filters

Baffle filters feature interlocking baffles for effective grease removal, promoting smooth airflow. They're easy to maintain, offer superior filtration with a deep pleat design, and dishwasher safe.

### Powerful Extraction

With a twin motor this rangehood's impressive maximum airflow of 2000M<sup>3</sup>/H, quickly and effectively removes smoke, steam, heat, odours, and other airborne particles from the kitchen.

### Remote Control

This rangehood is equipped with a sophisticated, stylish remote control that offers users the convenience of adjusting fan speed, lighting and timer settings of the hood from a distance.

### 6 x 4W Led Spotlights

This Sirius Rangehood takes it up a notch with six powerful spotlights that provide efficient illumination while cooking.

### Marine Grade

A 316 grade stainless rangehood is particularly important for those who live within 5KMs of the coast, as the increased levels of salt in the air can lead to a dramatically increased rate of corrosion.

### Hand Crafted in Italy

Sirius Rangehoods, a prestigious Italian brand founded in 1996, is renowned for its bold designs and commitment to premium materials and craftsmanship, making it a top choice for high-end rangehoods.
