## **KEY FEATURES**

### Twin Motor

Perfect for large and open kitchens, Sirius twin motor hoods boast powerful 2000M3/H extraction to efficiently remove steam, heat, smoke, and odours. With four speeds options for tailored ventilation.

#### 25mm Stainless Steel Filters

Baffle filters feature interlocking baffles for effective grease removal, promoting smooth airflow. They're easy to maintain, offer superior filtration with a deep pleat design, and dishwasher safe.

## **Powerful Extraction**

With a twin motor this rangehood's impressive maximum airflow of 2000M3/H, quickly and effectively removes smoke, steam, heat, odours, and other airborne particles from the kitchen.

#### Induction Safe

This rangehood boasts efficient filters and extraction capabilities to effectively manage increased steam and moisture levels resulting from minimal ambient heat compared to gas cooking methods.

### 8 x 2.5W Led Spotlights

This Sirius Rangehood takes it up a notch with eight powerful spotlights that provide efficient illumination while cooking.

## Hand Crafted in Italy

Sirius Rangehoods, a prestigious Italian brand founded in 1996, is renowned for its bold designs and commitment to premium materials and craftsmanship, making it a top choice for high-end rangehoods.
